## THE AMERICAN CURRICULUM

### The Authentic Learning Model

The Authentic Learning model uses methods that can be used for real-world experiences. It is a holistic approach to learning while incorporating 21st century skills.

Nursery & KG

#### Theme-based Learning

An approach to stimulate and enable young persons to naturally observe, understand, and learn a wide range of skills through diverse, naturally existing themes.

Elementary

#### Discovery-based Learning

An approach that allows students to be in control of their learning through hands-on exploration and inquiry learn through unique experiences.

Middle School

#### Skills-based Learning

Where students learn specific skills. They would be able to practice the skill, replicate the same process, and achieve their maximum potential time and time again.

High School

#### Mastery-based Learning

An instructional approach where students need to demonstrate a deep level of understanding of a topic or subject area. This is also mixed with leadership skills and university preparation.
